E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

Dear Mayfair,

As a typical 22-year-old bloke I have had my fair share of shags – always with girls around my age. But I have now been shown the virtues of shagging a woman with a bit more experience – thanks to the lovely Sue.

We met at a local band gig. I was chatting to a couple of old rockers who were always at these things and she when she appeared beside us. My eyes were drawn to her immediately, and once they were on her, they wouldn't leave her. I could tell she was older than me – maybe mid 30s. Not that she looked old at all – she had the figure of a 20-year-old and a stunning face – but she also had an easy assurance about her.

The way she walked and spoke portrayed a confidence – she was clearly at ease in her own skin – something that I'd never seen in girls of my own age.

We started talking straight away and, without us even noticing, our mates had melted away, we were alone and last orders were being called. We were getting on like a house on fire and the attraction between us was obvious. As the evening wore on she became more tactile, touching my arm for emphasis when making a point, her eyes twinkling.

It turned out she lived just up the road so we trotted over for a quick 'coffee'. As we walked back I admired her fit body: slim long legs clad in tight blue jeans and a tight white T-shirt stretched over her large boobs. She caught me looking at one point, but simply grinned at me sexily and said nothing.

Once back at her place, she left me in the living room to sort out some music while she fixed the drinks. I was perusing the back of a CD when I heard a noise and looked up.

There in the doorway stood Sue, completely starkers. Time had certainly been kind to her, she had the fittest, firmest titties I had ever seen, pink nipples poking at me, and her long legs went up to taut, yet sexily rounded thighs that framed the dark, full bush that crowned her cunt. I must have stammered something because she strode up to me and pressed her finger against my lips.

"I just don't believe in beating around the bush, do you?" she breathed.

Her hand left my lips and ran down my chest as she straddled me and sank down, her lips locking onto mine, her tongue exploring my mouth. With all these riches on display, I didn't know where to start, so I ran one hand over her tight arse and let the other squeeze and fondle each tit one by one, pulling on the nipples, making them harder still.

My cock was straining to escape my jeans but she wasn't letting me free just yet, and she moved up my lap and pressed her cunt hard against the shaft of my dick, moving slowly up and down while she stripped off my T-shirt and ran her nails down my chest. Even through my jeans I could feel the heat coming from her sex as we writhed together.

I had to get in that pussy, and she knew it. I pushed her off, stripped off the rest of my clothes, and pulled her back again.

She knew exactly where to aim, and immediately enveloped my cock in her sweet, hot velvety pussy. The was no doubt who was in charge, as she squatted over me, moaning deep and long with every stroke as she used her strong thighs to move herself up and down, and power my cock as deep into her as she wanted. My hands were everywhere, grabbing at her full tits as they bobbed up and down in my face, running over her arse and between the cheeks, softly rubbing her tight bum hole.

We both knew I would not last long if she did me at that pace, so she climbed off, and explored my cock and balls with her mouth, giving me time to come down from the brink of climax, nuzzling

Dear Mayfair,

Dear Daisy, I can't explain how excited I am to open up the magazine every month to see a new photo set of yours. I hope that you keep the Editor's job long into the future! Last month's set was exceptional. I'm a bit of a sucker for a woman in sexy underwear, but you in sexy underwear is something else altogether. The rest of the girls in last month's magazine were pretty hot too, so thank you.

Chris, Email.

Dear Mayfair,

I loved the photos of Serenity last month, but I'd like to know why she has chosen that stage name because she didn't make me feel very calm! I was like a mad dog on heat. That was until I'd finished the job off and I was left in a peaceful state of mind. I guess that's why she chose the name.

Andy, Portsmouth.

each testicle then running he tongue up the length of my dick, her eyes locked onto mine the entire time.

She knew exactly when I was ready to start again, and moved onto the floor, legs spread wide. I moved down on top of her and penetrated her again, as she grabbed my arse and pulled me in, building up a steady rhythm.

I couldn't help looking down and staring at the wonderful sight of my cock sliding in and out of her wet pussy, her legs wide apart. She moved her hand down and her fingers twitched over her clit, her breath coming out in short bursts as she did so.

Her back arched as she got closer to coming. "Move up here, I want to taste you as I come," she gasped, so I straddled her chest as she took my cock in her mouth and began sucking furiously – I had never heard anything sound as sexy as that before, both her words and the sounds she made as she gobbled up my pussy juice-coated meat.

Her hand was still frigging away behind me, but suddenly the sucking stopped and I could tell by her muffled moans that she was coming. I continued to pump at her – fucking her mouth like a juicy, tight cunt – and started to spurt, my come filling her mouth as she recovered from her own orgasm and wanked my shaft, draining every drop.

They say women reach their sexual peak in their 30s, damn right they do!

Dear Mayfair,

I cannot believe my luck – lying naked in front of me is a gorgeous 24-year-old called Pippa and we're about to begin one of the best fucks I think I'm ever going to have. Even better is that I slept with her sister not 12 months before, in the same flat – she knows it and doesn't mind...

Fucking brilliant!

We're lying on her bed and my eyes are eagerly scanning her fuckable hard-body.

I'm in awe as my eyes travel up her fantastic toned legs, unable to travel further than her cute blonde bush. It's the sexiest thing I have ever seen and I just want to wank over it.

My eyes are moving over her soft, flat, tanned tummy until they reach her beautiful, round, pert breasts. They are firm and ample with hard, erect nipples – perfect for a good tit wank, perfect for squeezing my come up her neck and chin. She's smiling at me in the cutest, sexiest way while her hands are clawing at my trousers trying to free my manhood.

My rock hard cock is in her hand. She's massaging my shaft, staring at it intently as she pulls my foreskin back and forth over my purple bell end. Pre-come oozes out, which she wipes off with her finger and sucks into her mouth. While she

pulls on my dick my hands are wandering over her young body. I caress her breasts, squeezing them as she moans, gently rolling her pert nipples between my fingers. She slides my prick past her full lips and into her mouth. it's the softest thing my cock has ever been inside. Its warmth makes me want to shoot my load down her throat there and then as she makes little slurping noises each time my cock slides between her lips. I pull my cock out of her mouth before I come and position myself between her thighs. Pulling her knees apart, that glorious little pussy comes into view. She moans with anticipation as I gaze at her beautiful pink rose. Sinking my head into that sweet hairy valley, I smell her glistening cunt juice. She tastes so sweet I'm almost getting high off her scent alone as my cock twitches and jerks like a live wire. Moving my tongue over her pussy, she moans loudly, groaning each time my tongue flicks over that pert little clitty. One finger slowly rings her pussy hole as I suck and lick on her little pink button. I push my finger deeper inside her – she grabs the back of my head and pulls me deep into her gash.

For a second, I can't breath, and then she releases me. Inserting a second finger into her cunt, I gently rub her G-spot as she writhes in ecstasy, I can tell she's close now so I press on, eager to bring her to the point of no return.

She rises and drops her hips in time with my tongue lashing against her clitoris, moaning out loud.

Grinding herself hard against my face, she suddenly arches her back and lets out a huge groan as she comes. Her sweet

juices pour into my mouth – there's so much of it! It tastes heavenly.

As she lies moaning and enjoying the afterglow of her orgasm I start wanking my hard cock at the entrance to her fuck canal. With each movement I catch her clit and she begins to respond.

Pushing my cock slowly into her, I feel no resistance. Her cunt is wet and willing and I'm gagging for it now so I waste no more time. I start to push my throbbing member deeper inside her. As I pull out, she tightens her cunt muscles – she doesn't want to let me go so

The steamy shower fog is hugging my clothing to my body, sorry! It's literally clinging to every curve like a second skin, I guess I'll just have to take it off. Are you enjoying seeing my fingers slipping between my thighs while my pussy is inviting me in?, It's so swollen and wet, begging for attention. The water from the shower is a bit of a distraction as it flows over my body. I could really do with good fuck right now, but your photographer isn't my type, I'll just have to find someone on my way home!

Continued fome page 5

I plunge my prick back inside. She groans loudly. I start pumping her harder and faster, ramming my cock into that glorious sinkhole. She sinks her nails into my backside, pulling me in deeper and my cheeks apart. Her fingertips touch my arsehole – this is it, I'm going to shoot my salty cock water into her now. As every muscle in my body tenses and every nerve ending explodes, I unload my hot seed into her wanton snatch. Waves of ecstasy rush over me as each pump of come fills her gash. Finally, we both collapse into a sweaty panting heap and the best fuck I've ever had is over.

Dear Mayfair,

My wife Gill is a 32 year old brunette, with 36DD breasts, lovely legs and a cute and recently shaved quim. She's been a randy cow ever since we first met. We've fucked in our neighbour's front garden, she's sucked my cock in all kinds of carparks and I've even fingered her juicy pussy in a crowded pub, but this was my first blow-job on the motorway at 70MPH!

We were driving along the M11 when I noticed Gill slip one of her hands down the front of her jeans. "Are you fingering yourself?" I enquired. "No, silly," she smirked. "I'm just feeling my fanny where the hair used to be, it feels different, funny..."

My cock started to twitch at the mere thought of her recently shaved pussy. "It's all smooth and soft," she said, looking at me in a cheeky way. I recognised that look, I'd seen it a million times before. It was the look she always gave me before we did something mischievous or risky...

"But you haven't seen it yet, have you?" she smiled.

"No, I haven't babe. Don't you think as your husband I should be giving it marks out of ten for appearance?"

With that she smiled and pulled her jeans and panties off. Gill was right, it looked really different, all pink and smooth with her gash now clearly visible without all that hair obscuring her wet fuck-trench. Man, was I turned-on now; my cock was bursting out of my pants like a rocket launching from a silo – I was going to have to let it out soon.

She lifted her feet up onto the dashboard and parted her legs. Her cunt opened up slightly, teasing me with a glimpse of her clit.

"Why don't you have a feel, babe? After all, I did shave it for you."

I didn't need asking twice, I reached over and began stroking that buff little cunt of hers, sliding my finger between clit and hole.

Popping my finger into her vagina then pulling it out and sliding the wetness of it back up and over her cunt button. I stared at her luscious labia and frigged her clit faster and faster when suddenly the car swerved. I was unceremoniously brought back to reality and reminded I was doing about 70mph on the motorway and had just crossed lanes and swerved back again.

Before the panic of nearly crashing set in, Gill reached over and released my throbbing cock from its locker. The horny bitch hadn't even noticed the car swerve, she just wanted cock action.

"I fucking love this cock of yours," she said and curled her fingers around its girth before plunging my shiny purple head into her mouth. I was suddenly aware that there were cars all around us and at any point one of them might see what we were doing, but I didn't care. The thrill of someone seeing Gill wanking and sucking on my cock was all part wanted someone to see us!

Gill sucked harder on my cock, her head rising and dropping like a sex piston pumping for snake oil, slurping and groaning like a very happy wife while she pumped. A shadow cast over my side of the car and I looked to see what it was. A large lorry was now cruising next to me, the driver grinning down at Gills head bobbing in my lap. Every few seconds his gaze snapped back to the road to avoid a crash, but he was soon looking again, enjoying the filthy show my wife was giving. "Some big lorry driver is watching you sucking on my cock darling," I said into my lap.

"Oh good," she replied then giggled. With that she looked up and, still holding my cock in one hand, blew the lorry driver a kiss and returned to mouth-fuck my knob. I looked back at him and had a sneaky suspicion he was wanking his cock while driving with the other hand. The thought of him being turned-on by my wife meant it wouldn't be long before I was going to fill that sweet mouth of hers with hot come.

Taking my eye off the road for a second, I realised my wife had slipped one hand between her legs and was gently rubbing her fanny nipple while she sucked me off. I could tell she was really turned on by it because of the rhythmic noise of her moaning and slurping on my cock. She was getting close to coming so I slid my hand across her back, between her arse cheeks, and stopped just short of pushing my finger into her hole. I began rimming her brown star and gently teasing the opening with my finger. She groaned loudly – she liked having her bum played with, and I liked the results. She pounded my cock now, pulling it all the way out of her mouth to the very tip of my helmet then plummeting her head back down till her lips touched my ball bag. Gill began to shudder and moan – she was coming. I couldn't hold back any longer, either.

"I'm going to shoot my load!" I shouted, thinking she would pull away, but she didn't.

I exploded my come into that willing mouth of hers – jet after jet gushed out as she shuddered and writhed beside me – her finger massaging her clit and my finger popping in and out of her arsehole. I just couldn't stop coming, she was forced to pull away to stop from gagging on my salty spunk. Another jet of hot jizz shot from my cock and a blob even made it onto the windscreen. Without thinking, I switched the windscreen wipers on to clear it away!

Finally, my cock stopped coughing juice and Gill leaned back in her seat, smiling. I heard a lorry's air horn and looked to my right. The lorry driver gave me a big thumbs up, and with a cheesy grin, he pulled away.

As Gill pulled her panties and knickers back on she asked, "So, babe, what do you think of my new look fanny?"

"I'd definitely give it one!" I replied, already looking forward to the moment when I could get out from behind this steering wheel and really go to town on her gash!

Dear Mayfair,

I'm a big fan of Zara Mae, I think I've got all of the magazines that she's ever appeared in. I know that I'm supposed to say that her eyes are her best feature but if I'm being honest I'm an 'arse' guy and hers is the best. I'd love her to bend over in front of me in real life, I'd cream all over it.

Lucas, Birmingham.

Amy Green

Naughty Nottingham lass Amy has sucked us into a purple lingerie clad haze, that has left our heads swimming with an appetite for more Green. So, when she came in to shoot recently and told us she wanted to come in again next week, we couldn't believe our luck and immediately made our diaries clear for the day, just in case the photographer needed a helping hand or four. The stockroom guy reckons it's worth missing the birth of his first child for!

Kiera

Londoner Keira Knight hasn't shot all that much so when we asked her along to the Paul Raymond Towers for a shoot we thought she was going to be a nervous wreck. Well, if she had any stage fright, she didn't show it, and as soon as we stuck her in front of the camera she was off – as were her knickers! So has she always had a bit of an exhibitionist streak, we wondered… "No, I was actually very prudish when I was younger!" she laughed as she pinched her nipples and gave us a sly look. "I was very self-conscious, until I had one boyfriend who made me feel really good about myself and we would have amazing sex, you lose all you inhibitions when you do the kind of things we did together, there was no looking back after him."

Briony

East Midlands babe Briony made her top shelf debut in Mayfair and now she's back. "I just love modelling," she tells us. And we wanted to know what her secret was as she makes it all look so easy. "I guess the trick is just to be relaxed and confident in front of the camera. A lot of people try and project some kind of persona, but I'm just trying to be myself, really." Sounds like good advice to us. Still, we can't help thinking that looking stunning must help a bit when it comes to confidence. "Ah, I guess it does, although true beauty's on the inside!"

Daisy May

“My red gloves are gripping my panties, I just want to tear them off and show you my pussy, I’m sure that’s all you’re interested in anyway. The other day I picked up some random guy at a bar and he loved my pink hair, it was a real turn on for him, I hope you like it too. Unfortunately, he was quite disappointed when we got back to his place, he was up for seeing pink pubes too! I’ve never known a guy that like a thick bush, who wants to go down on a girl and pick hairs out of their teeth, I’ve been there and done it and it’s not nice?”

Bernadette

Mention topless sunbathing to Bernadette O'Connor this time last year, and chances are you would have had a dirty look. Why? The 20-year-old explains, "I went topless in the South of France for the first time last year, and fell asleep. I woke up an hour later with very sore nipples. But I had lots of offers to kiss them better."

However it did put Bernadette off baring her 34-23-33 figure in the sun – until this year at least. "I'm more careful now," says she was in an Irish lilt that gives away her Limerick home." But don't let me Mammy hear me chatting like this. She still believes that naughty talk deserves a spanking – and you're never too old for a smack."

When she's not lazing in the sun, Bernadette works in a bank, and spends her spare time at the easel. "I've been painting since I was twelve," she says, "and here the countryside is ideal for watercolours." Has she thought of nude portraits? "There are a couple of guys who'd look lovely. But if Mum found out, my bottom would be as sore as my boobs were last year."

What happens when you walk into the kitchen to find your wife wearing nothing but filthy underwear? And then she goes and pulls some juicy fruit out of the fridge, bending over and rubbing it all over herself while she does it! The best wife in the world comes to mind! Have you ever eaten a sweet strawberry that's been rubbed against a wet pussy? It tastes great. I'd love to add a bit of cream to finish it off!

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

My ex-boyfriend Kevin and I have taken the amicable breakup to extremes. He's still my flatmate, even though I've moved my new man, Rob, into my place. They're both laid-back about it and have even become mates. Kevin was dating another woman, but recently they broke up. One night, he got nostalgic for the days when we were going out, telling Rob that he was a lucky guy. "Want to borrow her for the night?" asked Rob.

"You twat, it would serve you right if I went for it!" I laughed, but in reality the idea got me all juiced up. We carried on chatting and flirting, and before long I got naked, kissing Rob while Kevin stood behind, caressing my tits as he played his cock against my arse. Then I got on my knees and switched between their hard-ons, sucking and wanking them in turn, then rubbing the spit-wet ends of both against my nipples.

Both of them kept talking about me like I wasn't there, though it's hard to join in a conversation when you have a mouthful of cock. Rob asked had I learned how to wank a guy two-handed when I was with Kevin, who said I already knew how he liked it when we first met.

I began to do it to Rob, unable to resist showing Kevin what he was missing, palms skimming up and down his shaft and over his helmet. Then Rob leaned over and pulled my arse cheeks apart, inviting Kevin: "Plough in!"

My pussy tingled as Kevin's prick penetrated my cunt, and I heard a groan from him too. Our fucking had got a little stale and familiar toward the end, but now it felt good again. That got me jerking Rob's dick harder, then I put it in my mouth.

This set-up was a little unsteady, Kevin's thrusts so hard I was almost knocked off of my feet. So I led the guys over to the sofa, stretching out and picking up where we'd left off. I kept looking up at Rob, wanting him to see that while I was getting off on Kevin drilling my cunt, he was my man now. But he could see the pleasure on my face as I closed my eyes, and he began to fuck my mouth a little faster, too.

Kevin was playing with my clit, making me cum around his dick and moan around Rob's. Then he said how much he'd loved doing me in the arse. "Mmm," I moaned, and felt him pull out of my snatch, then slip into my pucker. Rob's cock jerked against my tongue – he loves doing me in the arse, too! I thought Kevin wouldn't even get off ten strokes before he came, and sure enough, I felt his spunk spurt out almost immediately.

"I got naked, kissing Rob while Kevin stood behind, caressing my tits as he played his cock against my arse. Then I got on my knees and switched between their hard-ons, sucking and wanking them in turn, then rubbing the spit-wet ends of both against my nipples.."

As he wiped his cream-coated tip on my bum cheeks, I sucked Rob harder. He held off for a minute or so, then I was gulping down the contents of his balls. Now it was Rob's turn for a fucking so I straddled him, tits in his face. But Kevin naturally wanted in, too. He stood there beating his meat right in front of me, his helmet shiny-purple. I thought back to how I used to tongue it all over till the pre-cum seeped out the tip of it. It was already wet and I revealed my inner thoughts with a lip-lick.

I sucked on it loudly and greedily, letting him push it down my throat, then pulling off to suck his helmet. He put a hand on my shoulder, but until he actually told me to cool it, I wasn't going to slow things down. I used to love making

him cum hard and, as I thought it, I got the first jet on my tongue. When I had a mouthful, I sat up straight and let Kevin's cream drip out onto my boobs. Then, as I rubbed it in, I felt my boyfriend shoot off in the depths of my cunt.

There hasn't been a repeat of it since – Kevin's been dating. My ego likes to think he's looking for a new me, but I know I'm more compatible with Rob. That doesn't mean I'm never tempted to sneak into Kevin's room for old times' sake, though...

I met Brittany in the sex shop where she worked, and she insisted I buy a different vibrator to the one I'd chosen. Pushy cow, I'd thought – only to feel grateful when I tried it out later and came like I never have before.

After that, I'd stop in to buy her latest picks, and after a while she recommended I come over to her place to try out some new stuff. She let me play with her favourite vibe – pink and cock-shaped, nothing special to look at. but it had one hell of a kick! But the toy she really wanted to test out was a double-ended dildo.

She'd used it solo, but she wanted to give it a 'full test run' and reckoned I was the girl for the job. Well, I was nicely juiced up from playing around with her dildo. She handed the double-dick to me and told me to guess which end she'd fucked herself with. I sniffed and tasted it, guessing right because of the tang of pussy. And that was the end I slipped inside of my own cunt too, twizzling it around and pumping it hard.

"Stop and let me get on," said Brittany, and inserted the other end in her twat.

That pushed it harder and deeper into me, too, but she sighed with satisfaction when our mounds touched in the middle.

We locked thighs and fucked together, pussies clashing around the solid shaft.

Then I slipped the vibrator in between us, touching our clits, and Brittany's hips began to buck, slamming the dildo in and out my hole. Being Brittany, she needed to show off a little, gripping it tight with her pussy muscles, and jerking it inside of my hole. But that just got me humping against her, and soon we were back to a banging frenzy, cumming till Brittany slumped back, exhausted.

My clit throbbed and so I touched the vibe against it, trying to orgasm just once more, only for Brittany to groan and beg me to

stop. I think she didn't like that I'd outlasted her. She got off of her end of the toy, then pulled it out of me before deep-throating it from both ends. Then she dove her face down to give me a pussy licking.

I wanted to taste her too, so she swung around into a sixty-nine, sitting on my face. I licked away at her snatch, and also teased her bum hole with a wet finger. She took this as a signal to play with my bum too, lapping up my fanny cream then dripping mouthfuls of it over my arsehole.

I took a couple of her fingers in there, then felt something much bigger bump up against it. She was slipping the double-dildo inside of me. She took it slow, easing me open, drooling to keep my bum hole lubed. Then, when it was a way inside, she began to fuck me with it. It felt so good, especially while I sucked on her cunt, but then she got off of me and repositioned me on all fours. I couldn't see what she was doing in behind me but then I realised she was sticking the toy back in her snatch.

She started to fuck me, slamming her hips, muscles gripping the shaft again so it sunk in me just deep enough. I got her vibe and buzzed my clit, my orgasm immediately exploding through me, so powerful that Brittany felt it inside of her too as my arse spasmed around the dildo.

I moaned so loud as she pulled herself off of it that she left it sticking out my arsehole. She sucked it clean of her own juices, while frigging herself to an orgasm, then just laid down next to me, the two of us totally spent once again.

We have so much fun playing with our dildos, plugs and vibes together – she has the best job in the world!

Now our ambition is to design the ultimate sex toy, which guarantees a girl will cum like never before. We have a few ideas, so watch this space!

I'm addicted to fucking and masturbation, and recently one of the guys I'm fucking asked to film me playing with myself. He mounted the camera on a tripod so he could wank himself off as he watched me pound my pussy with a dildo, and pull my pussy lips open to flick my clit.

A few days later, we posted it on an amateur porno website, with contact details, and got enough filthy responses to persuade us to shoot our own gangbang movie. We actually started it with a cum shower. We told the men we invited to hold off masturbating for the day before the shoot, so it begins with me in the centre, using my trusty dildo, while six cocks are being pulled off around me.

One by one they shoot their muck all over my naked body, and I'm writhing around coated in it, smearing it over my skin and licking it off of my fingers. One of the co-stars I picked was just 20, so he was hard again in no time, and so got the first fuck of the day. He's on me in missionary but fucking like a jackrabbit, and it's over pretty quickly, too.

My fuck-buddy yelled at him to pull out for a pop-shot, but just to show who was really the boss, I hooked my legs behind his back, so he spunked inside me. That way, Mr. Director got to close in on it running out my twat and down to cream my arsehole.

Next up, a bloke is fucking me between the tits, while another dangles his stiffening dick over my mouth, so we get to watch me suck it hard. My twat didn't go unfucked for long, though, and he leans backward so you can see it move in and out. His fingers find my clit, just before my own hands close around two more big dicks, wanking them ready for when I need them. Tit-fuck man blows first, spraying even more mess over my boobs, but blowjob man lasts longer. He pulls out so I'm left licking just the head of his cock with my outstretched tongue. Then he lets me take one more suck before pulling out. He wanks most of it into my open mouth.

I've laid on my back for long enough by now, so I get on my hands and knees. One bloke kneels behind me and does me doggie style,

"The blokes are there, spanking their dicks and when the first one's ready to pop I open wide and take it. Not quite a mouthful, until his mate tops up the level and I need to swallow to take it all."

shoving my cheeks together around his shaft. Mr. Director pulls off my favourite shot, holding the camera underneath so you can see him pump in, his big nuts swinging.

My stud is in control and pulls out, spraying me right down from my arsehole to my clit. Meanwhile, two of the younger ones are having a random wank contest, seeing who'll be first to spurt on my bum cheeks, knowing they'll be hard again for me when I need them.

In fact, one of them does the anal scene with me – every porn film needs one! – while all the others gear up for the grand finale. Mr. Director said we should bookend our movie with another circle jerk, and this time it's going to be right into my mouth! Good thing I like the taste of jizz. The blokes are there, spanking their dicks and when the first one's ready to pop I open wide and take it. Not quite a mouthful, until his mate tops up the level and I need to swallow to take it all.

> "Then I slipped the vibrator in between us, touching our clits, and Brittany's hips began to buck, slamming the dildo in and out my hole. Being Brittany, she needed to show off a little, gripping it tight with her pussy muscles, and jerking it inside of my hole."

That's where it goes slightly wrong. One of them has the most deliciously suckable prick, and I can't deprive myself. I start gobbling him, thinking it's only going to take a minute or so, but he keeps going strong, and I feel the warm splash of some other bloke who has to jizz on my tits instead. In the end, blowjob man is actually the last to cum, but I think his spunk is never going to stop flowing, there's so much of it!

Nikky Dream

Do you like my purple blouse and my snug fitting thong? Would you like me to take all of my clothes off? I'm not stupid, you're clearly a randy little fucker and you want to see me naked. As you can see, I'm fully shaved, and I like it when men are clean too, completely hairless. Are you shaved? I hope so, I'll suck on it all day long if you are!"
